

Petition for AB 1784, the *Secure the Vote Act*

We need publicly-owned voting systems, not secret corporate systems!

Event: _____

Date: _____

Circulator: _____

We, the undersigned, urge Governor Newsom, Secretary of State Padilla, and all legislators to secure our elections by supporting development of publicly owned, open-source paper ballot voting systems by passing AB 1784 (Santiago-Chiu-Gonzalez) and the state matching funds budget request to help develop them. Open-source systems will be more secure and transparent than secret corporate-owned systems and will increase confidence in the fairness and accuracy of our vote counts.

Sponsored by California Clean Money Campaign, a grassroots 501(c)(3) working to fight the influence of special interest money in politics since 2001.
