

I Support AB 249, the *California DISCLOSE Act*

Unlimited special interest spending is subverting our democracy, deceiving voters with misleading ads while hiding who's trying to buy elections. That's why we need AB 249, the *California DISCLOSE Act*. It will let voters know who *really* is paying for political ads. It will:

- Require the three largest funders of \$50,000 or more of ballot measure ads and ads about candidates by outside groups to be shown clearly and unambiguously so viewers see who's actually paying for them.
- Require ballot measure ads to show their largest true contributors, not misleading committee names.

Support Statement: *I believe that voters deserve to know who is paying for political ads. I therefore endorse and publicly support AB 249, the California DISCLOSE Act (Mullin-Levine).*
