

Endorsement Form for 2020 California Clean Money Bills

The 2020 package of California Clean Money Campaign bills will stop secret money in on lobbying issue ads (AB 1217), make sure people know who supports and opposes ballot measures on the ballot (SB 636), and increase the security and transparency of vote counting (AB 1784).

- We endorse AB 1217, the Issue Ad DISCLOSE Act (Mullin).**
Requires lobbying issue ads and sham issue ads to clearly show their top 3 funders.

- We endorse SB 636, the Ballot DISCLOSE Act (Stern).**
Requires the ballots people vote on to list 3 supporters and opponents of each state ballot measure.

- We endorse AB 1784, the Secure the VOTE Act (Santiago-Chiu-Gonzalez) & budget matching funds requests by Assemblymembers Santiago & Chiu and Senators Wiener & Allen.**
Allocates up to \$16 million in state matching funds to help counties develop, certify, and share publicly owned Open-Source Paper Ballot voting systems to count votes instead of secret corporate-owned voting systems.
