

# **Endorsement Form for SB 47, Petition DISCLOSE Act**

Wealthy special interests are subverting California’s initiative process, buying their way onto the ballot while hiding who’s paying for them. That’s why we need the new *Petition DISCLOSE Act*. It will let voters know who’s paying signature gatherers to get initiatives on the ballot. It will:

- Require initiative signature gatherers to show voters an “Official Top Funders Sheet” showing three largest funders of \$50,000 or more paying for their signature gathering.
- Require signature-gatherers to show their largest true contributors, not misleading committee names.

*SB 47 follows up on 2018’s Petition DISCLOSE Act, SB 651, which passed the Senate on a bipartisan vote of 28-9, but is amended to list the top contributors on Official Top Funders Sheets instead of on the petitions, eliminating initiative reprinting costs. Authored by Senator Ben Allen and sponsored by California Clean Money Campaign.*
