

Disclose Secret Funders with SB 52, the *California DISCLOSE Act*

Current Ineffective Disclosure

Proposed requirements with the *CA DISCLOSE Act*

The Problem: Our democracy is under attack by anonymous and misleading political ads.

The Solution: Expose the real funders of political ads with the *California DISCLOSE Act*.

- Require all political television ads, radio ads, print ads, and websites to clearly list their top three funders, including their logos.

Imagine how much of a difference it would make if hidden special interests couldn't fool people into voting against their own interests...

Help us pass the California DISCLOSE Act to show voters who is really funding political ads!
