

Petition for SB 52, the *California DISCLOSE Act*

Disclose who really pays for political ads

Event: _____

We urge all State Senators and Assemblymembers to actively support SB 52, the *California DISCLOSE Act* (Democracy Is Strengthened by Casting Light On Spending in Elections). This crucial bill would mandate clear and prominent disclosure of who is behind political TV, radio, print, and slate mailer ads, *on the ads themselves*. SB 52 will stop special interest contributors from hiding behind fake committee names by requiring ads to show their *actual* largest contributors. Let the voters know!

Sponsored by the California Clean Money Campaign, a grassroots 501(c)(3) organization. Petitions circulated by volunteers from Rootstrikers in coalition with CCMC.

PLEASE PROVIDE YOUR EMAIL for occasional alerts from CCMC and Rootstrikers about actions you can take to help SB 52 and fight Big Money. CIRCLE "YES" BELOW "TEXTS" for occasional text action alerts on your phone. <i>We will never share your info.</i>				Volunteer ?	Donate ?
