

# Endorsement Form for SB 752, the Disclosure Clarity Act.

The *California DISCLOSE Act* passed in 2017 required ballot measure ads and independent expenditure ads for and against candidates to clearly show their top funders. The *Petition DISCLOSE Act* in 2019 required initiative, referendum, and recall petition circulators to show voters their top funders. Unfortunately, some wealthy interests have been abusing them. SB 752 will:

- Stop long committee names on TV ads from making it hard to see top funders on TV disclosures.
- Require large online ads to show at least one top funder and always make disclosures easier to read.
- Lower the top funder disclosure threshold for local and legislative races from \$50,000 to \$10,000.
- Require initiative, referendum, and recall petitions to include a box underneath the voter signature line for voters to initial certifying that they saw the top circulator's top funders sheet.

*I/we endorse SB 752, the Disclosure Clarity Act.*
