

Endorsement Form for SB 90 & AB 1416, the Ballot DISCLOSE Act.

One of the things voters most want to know about ballot measures is who supports and opposes them. But many voters don't know that information when they vote, and ballot measure campaigns supported by organizations people trust often don't have the financial resources to effectively communicate that information to them, giving an unfair advantage to campaigns backed by wealthy interests who do.

SB 90 (Stern) and AB 1416 (Santiago-Gonzalez), parallel bills sponsored by the California Clean Money Campaign, give voters the information they want and need by adding a short list of supporters and opponents who signed the arguments for and against each state ballot measure in the voter information guide to the current title and summary shown on the ballot for state ballot measures. Counties may voluntarily choose to include supporters and opponents for local ballot measures on the ballot, also. This will give voters information they need at the time and place it matters most — on the ballot itself.

I/we endorse SB 90 and AB 1416, the Ballot DISCLOSE Act.
